Central Investment in States

2047. SHRI CHHEDI PASWAN: Will the Minister of PLANNING AND PROGRAMME IMPLEMENTATION be pleased to state:

(a) the percentage of Central investment in each State and Union Territory during the last three years, year-wise;

(b) whether the investment made in Bihar is less in proportion to its population and availability of minerals there; and

(c) if so, the plans being formulated to increase Central Investment in Bihar?

THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION (SHRI H. R. BHARDWAJ): (a) Central Plan investment is

not made on a State-wise basis and thus it is not possible to give an accurate break-up. However, a statement showing the approximate estimates of Statewise break-up of Central Plan Expenditure and the percentage thereof pertaining to the first three years of the Seventh Five Year Plan—viz., 1985-86 (Actuals), 1986-87 (RE) and 1987-88 (BE) is given at Annexure. This is based on several assumptions and the figures so compiled at best give only a dimensional appreciation of the situation.

(b) and (c) No, Sir. Central Plan investment is made for the country as a whole, keeping national priorities in view. Further, Central investment in programmes/projects is mostly in areas where the necessary economic factors are in optimum availability. These programmes/projects in most cases transcend the limits of the State boundaries (for example: railway lines, highways, etc.). They are not meant for a particular State; the fruits of these programmes/projects get spread all over the country.
