

(b) if so, the terms and conditions thereof;

(c) whether the import of gold by NRIs will have any effect on the price of gold in the country; and

(d) if so, the details thereof ?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI RAM-ESHWAR THAKUR): (a) and (b) Suggestions for allowing NRIs to bring or send gold into India would be considered in the context of Finance Minister's statement in the Budget speech that a comprehensive review of policies and procedures bearing on Non-resident Indian investments will be carried out. There is no proposal to allow Indians visiting abroad to bring gold; nor is there any proposal to allow them to bring consumer goods, apart from those admissible under the Baggage Rules, 1978 and Transfer of Residence Rules, 1978, as amended from time to time.

(c) and (d) The probable long term effect of any decision to allow import of gold by NRIs is to depress the domestic price of gold on account of larger availability in the market. It is, however, not possible to make any estimates of the extent of fall in gold prices in case NRIs are allowed to import gold, as it depends on several imponderables.

According to the Scheme forty per cent of such deposit would be deducted and set apart as a special levy, which would form the corpus of a fund in the National Housing Bank. This fund will be utilised for financing slum clearance and low cost housing for the poor, in accordance with guidelines and priorities laid down by the Government. The depositor would be allowed to draw the balance amount in one or more instalments through account payee cheques for any stated purpose of his choice.
