STATEMENT

Details of Hydro-electric Projects under various stages of Development in North Bihar

1. Hydro-Electric Schemes under Operation:

Kosi Hydro-electric Scheme $(4 \times 5 \text{ MW})$ is under operation in North Bihar.

2. Hydro-Electric Schemes Under Construction:

Eastern Gandak Canal Hydro-electric Project in West Champaran District with an installation of 3×5 MW is presently under construction in North Bihar. The project is likely to be commissioned by December, 1992.

3. Hydro-electric Schemes under examination in Central Electricity Authority:

The project report for Tribeni Link Canal Hydro Electric Project MW=3.3 MW in West Champaran District of North Bihar was examined CEA. The Project report was returned to Bihar State Hydro-electric Power Corporation Ltd. (BHPC) in February, 1990, as the cost of the project and cost of generaworked out, was tion from the project high. BHPC was requested to re-submit project report after reviewing all the features in order to reduce the cost of generation. There is no Hydro-electric Project in Bihar pending for techno-economic approval of Central Electrcity Authority.
