Answer

MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI BANDARU DATTATREYA)

(a) to (c): Internal sewers were laid in Geeta Colony about 8 years ago. Due to sub-division of plots by the owners, and with provision of funds made by the Trans Yamuna Area Development Board, sewers have now been laid in front of the houses in most of the lanes.

The Delhi Jal Board have reported that the sewerage system exists in the entire Geeta Colony and no portion is left out.
