

**GOVERNMENT OF INDIA
ROAD TRANSPORT AND HIGHWAYS
LOK SABHA**

UNSTARRED QUESTION NO:122

ANSWERED ON:20.11.2000

H.T.M.S. ON DELHI JAIPUR NATIONAL HIGHWAY

JASWANT SINGH YADAV;SURESH RAMRAO JADHAV (PATIL)

Will the Minister of ROAD TRANSPORT AND HIGHWAYS be pleased to state:

- (a) whether the Government propose to install Highway Traffic Management System (HTMS) on Delhi-Jaipur National Highway;
- (b) if so, the details in this regard;
- (c) the expenditure likely to be incurred thereon; and
- (d) the extent to which accidents are likely to be checked after the installation of this modern technique?

Answer

MINISTER OF STATE FOR ROAD TRANSPORT AND HIGHWAYS (MAJOR GENERAL (RETD.) B.C. KHANDURI)

(a) to (c) Yes, Sir. A project to install Highway Traffic Management System on Kotputli-Amer Section of National Highway-8 to facilitate and monitor traffic movement has been approved by National Highways Authority of India and awarded to M/s Siemens through global competitive bidding at a cost of Rs.17,52,50,007.00.

(d) Since such a system is being installed in the country for the first time, it would be difficult to estimate the extent to which accidents would be checked.
