**Answer**

MINISTER OF STATE FOR ROAD TRANSPORT AND HIGHWAYS

(MAJOR GENERAL (RETD.) B.C. KHANDURI, AVSM )

(a) Yes, Sir

(b) No, Sir.

(c) & (d) During the 8th Plan period due to constraint of funds and continued resources crunch only two proposals with an aggregate length of 609 kms. comprising NH-18 369 kms. in Andhra Pradesh and NH-19 120 kms. in U.P. & 120 kms. in Bihar respectively could be added to the National Highway network. Rest of the proposals including 14 proposals from Karnataka. & 11 proposals from Maharashtra could not be considered.

(e) & (f) No, Sir. In May, 1997, while inviting proposals of new National Highways from all the State Govt. for consideration during the 9th Plan, the Central Govt. had made clear that the proposals to be forwarded by the State Govts. would supercede all proposals/requests made by the State Govts. during the 8th Five Year Plan. Therefore fresh proposals were received from the State Govts.

(g) A statement giving details of funds allocated for the National Highways in the 8th Plan is at Annex- I. A statement giving details of funds allocated for National Highways during the first three years of the 9th Plan is at Annex -II.
