- (d) if not, the reasons therefor;
- (e) the additional storage capacity proposed to be created in next three years in these godowns State-wise; and
- (f) the amount spent annually by the Government on the maintenance of these godowns?

**Answer**

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION ( SHRI CHAUHAN )

(a): Yes, Sir.

(b): A Statement indicating the (Owned & Covered) Storage capacity as on 1-1-2001, location wise, available with FCI is given in the Annexure-I.

(c) & (d): FCI constructs the godowns taking into account its needs for procurement, distribution and buffer stocking.

(e): During the current Ninth Five Year Plan (1997-2002), FCI has proposed to construct storage capacity of 4.67 lakh tonnes of which 2.11 lakh tonnes capacity has been constructed upto December, 2000.

The Central Warehousing Corporation has also been assigned to construct about 2.20 lakh metric tonnes storage capacity during the current plan for the use of FCI. The State Warehousing Corporations in Punjab and other procuring States are also constructing godowns for the use of FCI.

The Government has also formulated a National Storage Policy aimed at harnessing the resources of the private & public sector for augmentation of infrastructure to handle foodgrains including construction of Bulk Storage facilities and also for conventional godowns under 'Build-Own- Operate' Scheme.

(f): The amount spent on maintenance of FCI godowns during the last three years is as follows:-

Rs. in Crores (Provisional)

1997-98	22.41
1998-99	18.00
1999-2000	25.00
