**Answer**

MINISTER OF RURAL DEVELOPMENT (SHRI M.VENKAI AH NAIDU)

(a) to (h): A statement is laid on the Table of the House.

STATEMENT AS REFERRED TO IN REPLY TO LOK SABHA STARRED QUESTION NO.3 TO BE ANSWERED ON 26.02.2002

(a & b): Yes Sir, taking into consideration the experience gained in the implementation of the Programme in the past, the Central Rural Sanitation Programme (CRSP) was restructured w.e.f. 1st April, 1999. The restructured Central Rural Sanitation Programme moves away from the principle of State-wise allocations primarily based on poverty criteria to a 'demand-driven' approach. States are required to formulate Total Sanitation Campaign (TSC) projects in identified districts. The components include (a) Construction of Individual Household Latrines (b) Construction of Sanitary Complex for Women (c) Latrines for Anganwadi and Balwadies (d) Latrines for Primary and Upper Primary Schools, and (e) Setting up of Rural Sanitary Marts and Production Centres. Further, project funds are being earmarked for Start-up activities, Information, Education and Communication (IEC) and Administrative Charges etc.

(c) During 2001-2002, an amount of Rs.150.00 crore has been provided in BE and Rs.135.00 crore in RE for implementing the Rural Sanitation Programme, out of which 90% of the funds have been provided for the Total Sanitation Campaign, and the remaining 10% funds have been allocated to State/UTs. The State-wise details of allocation for both during 2001-2002 is given in Annexure-I.

(d)&(e) The details of proposals received from various States and the Total Sanitation Campaign proposals sanctioned so far are given in Annexure-II.

(f) TSC projects have been sanctioned which are being implemented in 138 districts of the country as per the details given in Annexure-III.

(g) & (h) It has been decided to cover the remaining districts under the TSC during the Tenth Five Year Plan.
