Answer

THE MINISTER OF STATE FOR YOUTH AFFAIRS AND SPORTS

(SHRI TH. CHAOBA SINGH)

(a) & (b) Yes, Sir. The Annual Action Plan Review of the activities of the Nehru Yuva Kendra Sangathan is done by the Government on a quarterly basis. In addition, the NYKS Headquarters also monitors the performance of its District Kendras through monthly, quarterly and yearly reports, besides mandated inspection tours undertaken by officers from the Headquarters, the Zonal Directors and the Regional Co-ordinators. Remedial action is taken as and when deficiencies are noticed through these reviews / inspection tours.

These reviews and assessments have shown that schemes have helped in mobilizing and channelizing the energy of rural youth for constructive activities. Youth have become aware of local issues and have shown willingness to come forward for the redressal of local issues voluntarily.

These Schemes have also contributed towards building of Youth Club movement in the country and have provided opportunities to rural youth to assume leadership and take up community development activities through co-ordination and participation. Deficiencies that have been felt, relate mainly to inadequate provision of programme funds to a Kendra, and the lack of supervision over the implementation of programmes / schemes in those districts which do not have a youth co-ordinator and are being looked after as additional charge. Subject to budgetary outlays, efforts are being made to plug these gaps.

(c) & (d) Yes, Sir. The action plan for the implementation of the schemes through NYKS during the last three years (1997-98, 1998-99, 1999-2000) in the State of Andhra Pradesh is at Annexure I.

(e) & (f) No, Sir. The schemes are being run successfully under the present structure.
