Will the Minister of STEEL be pleased to state:

the present status of the proposed steel plant that was to be set up at Dagaon in Assam under SAIL?

Answer

MINISTER OF STATE IN THE MINISTRY OF STEEL (SHRI BRAJA KISHORE TRIPATHY)

There is no proposal to set up a steel plant at Dagaon in Assam. However, a Hot Dip Galvanizing Line (HDGL) plant at an estimated cost of Rs. 42.85 Crore is being set up in Dagaon. SAIL proposes to complete the project through a joint venture company, which is now in the process of being formed.
