**Answer**

THE MINISTER OF STATE OF THE MINISTRY ROAD TRANSPORT AND HIGHWAYS ( MAJOR GENERAL(RETD) KHANDURI)

- (a) National Highway(NH) No.1 does not pass through Agra city. However, National Highway No. 2 passes through Agra city, while National Highways Nos. 3, 11 and 93 originate from Agra city. Portion of National Highway No. 2 through the city is already 4 laned/being 4 laned. All the sections of National Highways within Agra city are being maintained in traffic worthy condition, within available resources. However, a portion of the newly declared National Highway No. 93 through the city suffers from drainage problem and occasional water logging.
- (b) No data on accidents due to the condition of National Highways are available.
- (c) State Government has been requested to frame proposal for improvement of NH-93 in the portion suffering from water logging.
