However in February, 2003 Government of Assam has submitted a concept paper for replacement of timber bridges to RCC bridges on its road network amounting to Rs. 390.60 crore. Out of this, 35 projects worth Rs. 104.14 crore have been included in the priority list of projects submitted by the State Government for consideration under Non-Lapsable Central Pool of Resources (NLCPR) for the year 2003-04.
