

**GOVERNMENT OF INDIA  
COMMERCE AND INDUSTRY  
LOK SABHA**

UNSTARRED QUESTION NO:5229  
ANSWERED ON:25.04.2003  
INDUSTRIAL DEVELOPMENT CENTRES  
ANANTA NAYAK;RAMSINH PATALIYABHAI RATHWA

**Will the Minister of COMMERCE AND INDUSTRY be pleased to state:**

- (a) the number and location of industrial development centres established in the country till date, State-wise;
- (b) the funds provided to these centres during each of the last three years, centre-wise;
- (c) the overall financial position of each centres as on 31st March,2003;
- (d) the centres which have become functional in each State as on March, 2003;
- (e) the factors responsible for slow progress in respect of remaining centres;
- (f) the time by which these centres are likely to become functional;
- g) whether any study has been conducted to ascertain the impact of these centres in creating employment avenues in backward areas of the States; and
- h) if so, the details thereof, State-wise?

**Answer**

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI CH.VIDYASAGAR RAO)

(a) to (d) With a view to promote industrialization of the backward areas in the country, the Central Government in June, 1988 announced Growth Centre Scheme, under which 71 Industrial Growth Centres are proposed to be developed throughout the country. These would be endowed with basic infrastructure facilities like power, water, telecommunication, banking etc. to enable the States to attract industries. The Centre Government would be contributing an amount Rs.10 crore per Growth Centre by way of equity (Rs.15 crore in the case of Growth Centres in the North Eastern States, Sikkim, Himachal Pradesh and Uttaranchal)The State Government is responsible to source the balance fund and implement the project. Out of the 71 Industrial Growth Centres proposed to be developed, 68 have so far been sanctioned. Details of these centres may be seen at Annexure -A.

(e) & (f): The factors responsible for slow progress of some of the Growth Centres are site selection, land acquisition which involves time consuming statutory proceedings/litigation and physical possession of the land, development of infrastructure like power, water, roads etc. are of long gestation. These Growth Centres are implemented by the State Governments who are also responsible to raise bulk of the funds required for these projects. The scheme aims at the creation of industrial infrastructure that involves land acquisition and its development. It is a long gestation process governed by local conditions. Besides, much depends on the initiatives taken by the State Governments and also creation of investment friendly environment in the States. It is therefore, not possible to prescribe a fixed time frame for completion of all Growth Centres.

(g) No, sir.

(h) Does not arise, sir.

ANNEXURE- A
