- (c) the details of the proposals cleared; and
- (d) the estimated cost likely to be incurred on these projects, project-wise?

Answer

MINISTER OF STATE IN THE MINISTRY OF STEEL (SHRI BRAJA KISHORE TRIPATHY)

(a)to(d): As per the information made available by State Government of Orissa 19 companies has shown interest to set up iron and steel plants in Orissa. Details covering location, capacity, investment and land requirement with respect to these companies are enclosed in the annexure.

In the Industrial Policy announced in July, 1991, steel industry has been de-licensed. No industrial licence is, therefore, required for setting up of iron and steel plants. Entrepreneurs are free to set up such plants anywhere in the country except in the restricted locations.
