UNSTARRED QUESTION NO:1762
ANSWERED ON:01.08.2003
VOCATIONAL TRAINING CENTRES
SHIVAJI MANE

Will the Minister of TRIBAL AFFAIRS be pleased to state:

- (a) whether the government have launched any scheme for opening vocational training centres in the various States for tribals;
- (b) if so, the details of the scheme alongwith the vocations for which the training is being imparted;
- (c) the funds released to these centres during each of the last three years, centre-wise and State-wise;
- (d) whether the Government are considering to open more such centres in the country; and
- (e) if so, the details thereof?

Answer

MINISTER OF TRIBAL AFFAIRS (SHRI JUAL ORAM)

(a) & (b) Yes. Sir. The scheme was introduced during 1992-93 with the aim to develop the skill of the tribal youths to gain employment/self-employment opportunities. It is implemented through the State Govts./U.Ts. and Non-Governmental Organisations. The scheme provides for 100% grants-in-aid for opening and running of vocational training centers. Each centre is required to cater to five vocational courses and the vocations in these centers differ from centre to centre as these are identified by State Govts./Non-Governmental Organisations depending upon the employment potential of the area. Each tribal boy/girl is trained in two trades of his/her choice, the course in each trade being for a duration of three months. Each trainee is attached at the end of six months to a Master Craftsman for a period of six months to learn his/her skill by practical experience. Each trainee is provided a stipend of Rs.350/- per month and raw material cost of Rs.1200/- for the entire course.

More details of the scheme are available in the Annual Reports of the Ministry for years 2001-02 & 2002-03. The details are also available in the website of the Ministry (www.tribal.nic.in).

(c) The information as to the funds released to the centres during each of the last three years, centre-wise, State-wise in respect of State-run centers and NGO-run centers is enclosed as at Annexures I & II, respectively.

(d) & (e) The Scheme is a continuing one. Therefore, the Ministry will consider opening of more centres along-with running of ongoing centres. However, opening of such centers will depend upon receipt of complete proposals from the State Govts/ NGOs, and availability of funds.

Annexure-1.
