Answer

MINISTER OF TRIBAL AFFAIRS (SHRI JUAL ORAM)

(a): The names of the Non-Government organizations sanctioned grants for Educational Complexes, residential schools/non-residential schools and hostels in Madhya Pradesh is annexed.

(b), (c) & (d): The proposals seeking grants-in-aid, complete in all aspects as per guidelines of the scheme, received during 2001-02 have been either cleared or under consideration for sanction. Where the proposals received during 2001-02 lacked some documents, the Organizations/State Governments were requested to furnish the desired information. A few responses from Organizations/State Governments are awaited. The proposals received during 2002-03 are being processed for sanction. The main reasons for the delay are; non-receipt of complete proposals as per guidelines of the scheme, and delays on the part of State Governments in sending the Inspection Reports of the organizations.
