## **Answer**

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION ( SHRI CHAUHAN )

- (a) & (b): No Sir, the levy sugar price is fixed inter alia, taking into account the cane cost. The cane cost is determined on the basis of the Statutory Minimum Price (SMP) of sugarcane fixed by the Government on the basis of recommendation of the Commission for Agricultural Costs and Prices (CACP). The CACP while recommending SMP takes into account the element of both harvesting and cane transportation cost. The CACP updates the harvestingand cane transportation cost every year while recommending the SMP. While fixing the levy sugar price Government also takes into account escalation on cane transportation cost based on the wholesale price indices of diesel, tyres & tubes and motor vehicle parts as recommended in the pricing formula by the expert body.
- (c) There are no such directions of the Ministry of Finance.
- (d) Do not arise.
