THE MINISTER OF STATE IN THE MINISTRY OF RURAL AREAS AND EMPLOYMENT (SHRI CHANDRADEO PRASAD VARMA) : (a) to (d). There is no vocational training centre set up by the Ministry of Rural Areas and Employment exclusively for educated unemployed Scheduled Castes/Scheduled Tribes. However, under the programme of Training of Rural Youth for Self Employment (TRYSEM), training is imparted to rural youth living below the poverty line including SC/STs in the existing training institute recognised by State Governments and also by master trainers so as to upgrade their technical and vocational skills to take up self wage employment ventures. Under the programme, 50% of the youth selected for training should belong to SC/STs category. Keeping in view the inadequacy of proper training infrastructure at the block level, it has been decided to set up mini-ITIs in the blocks where no proper training infrastructure exists including tribal dominated areas. The State Governments have been asked to send proposals after conducting a careful survey for setting up of mini-ITIs. For setting up of mini-ITIs, an amount of Rs. 19.61 crore was released to eight States from where the proposals were received during 1995-96. The State of Bihar has not submitted any proposal in this regard.
