Answer

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH & FAMILY WELFARE (SMT. PANABAKA LAKSHMI)

(a) to b) Yes Sir. Improvement in the health status of the population has been one of the major thrust areas in social development programmes of the country. A number of steps have been taken for improving the general health of the population. A vast network of infrastructure and manpower at primary, secondary and tertiary level has already been established in the country to provide quality health care services especially the poor and underserved areas. 142655 Sub-Centres, 23109 Primary Health Centres and 3222 Community Health Centres have been established as on September, 2004. Health infrastructure is being upgraded under the State Health System Projects, which are being implemented in selected States with World Bank assistance.

c) Besides providing for health infrastructure, Government is implementing various national health programmes in respect of communicable and non-communicable diseases like TB, AIDS, Malaria, Leprosy and Blindness for improving access to health services and promoting amongst the population. A statement showing allocations/releases during the last three years is annexed.

(d) to (e) As per available information, no such proposal has been received from Government of Maharashtra.
