

**GOVERNMENT OF INDIA
COMMERCE AND INDUSTRY
LOK SABHA**

UNSTARRED QUESTION NO:1906
ANSWERED ON:06.12.2005
FINANCIAL ASSISTANCE TO INDUSTRIES
Rao Shri Sambasiva Rayapati;Reddy Shri Karunakara G.

Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

- (a) the name of the schemes under which financial and technical assistance is provided for development of various sectors of industries;
- (b) the financial assistance provided during each of the last three years under various sectors including Agriculture, industry and Minerals, State-wise;
- (c) the amount utilised by each State so far; and
- (d) the steps taken by the Government to enhance the infrastructure facilities to increase the competition among the domestic industries?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI E.V.K.S. ELANGOVAN)

(a): Sir, The Department of Industrial Policy & Promotion is responsible for the overall industrial policy while individual Administrative Ministries/Departments look after the production, distribution, development and planning aspects of the specific industries allocated to them. The Department has mainly formulated two schemes under which financial assistance is provided for development of various sectors of industries. They are Growth Centre Scheme and Industrial Infrastructure Upgradation Scheme (IIUS). In addition, assistance is also provided for Industrial Parks, schemes for industrial development of Hill and North Eastern States as well as schemes for development of Cement, Salt and Leather Sectors.

(b) &(c): The Growth Centres would be endowed with basic infrastructure facilities such as power, water, telecommunication and banking, etc. to enable to attract industries belonging to various sectors, as such sector-wise assistance is not provided. However, assistance given to and utilised by various growth centres during the last three years, State-wise, is given at Annexure-I.

In IIU Scheme, financial assistance is provided industries- wise. The assistance given and utilised are given at Annexure-II .

(d): The Growth Centres Scheme has been instituted for attracting industries in backward areas . The IIUS has been instituted to enhance international competitiveness of the domestic industry by promoting quality infrastructure through public- private partnership in selected functional clusters/locations, which have greater potential to become globally competitive.

ANNEXURE-I

Statement referred to in reply to Lok Sabha Unstarred Question No. 1906 for answer on 6.12.2005.

Central Assistance released during three years to Growth Centres

(Rs. in lakh)

Sl. No. Name of the Growth Centre (Statewise) 2002-03 2003-04 2004-05 Total Status of Utilisation

I	ANDHRA PRADESH	110	100	295	505	Utilized
