

projects. It will also improve the financial viability of new mining projects.

- (iii) The capital base of Coal India Limited has been restructured which will enable it to raise additional financial resources from the capital markets which are required to add new coal production capacity.
- (iv) Steps are being taken in co-ordination with the Railways to remove the transportation bottlenecks in such coalfield areas which have potential for enhanced production.
- (v) Steps are being taken to remove the bottlenecks in land acquisition and forest land clearance for speedier implementation of coal projects.
- (vi) Private sector companies engaged in production of iron and steel, cement and generation of power have been permitted to take up coal mining for captive consumption. This is expected to increase domestic coal production and availability.
- (vii) To attract private investment in the coal sector, Government has decided to move a Bill to make the necessary legislative changes relating to coal mining to enable any Indian company to mine coal and lignite for sale.
