Answer

THE MINISTER OF STATE IN THE MINISTRY OF SHIPPING, ROAD TRANSPORT AND HIGHWAYS(SHRI K.H. MUNIYAPPA)

(a) & (b) The development and improvement of National Highways including their widening to four laning is taken up in phases depending upon the traffic volume, availability of funds and inter-se-priority.

There is sufficient traffic density on Zirakpur to Bahadurgarh section of NH-64 and Ludhiana to Talwandi section of NH-95 for widening these to four lanes as per traffic requirement. However, four-laning work of these sections would be taken up in future in phases subject to availability of funds and inter-se-priority.
