- (d) whether the centres already set up are fully operational and equipped with the necessary logistics;
- (e) if so, the details thereof; and
- (f) if not, the reasons therefor?

**Answer**

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. ANBUMANI RAMADOSS)

(a) to (f): A statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO LOK SABHA STARRED QUESTION NO. 465 FOR 17TH MAY, 2006.

Antiretroviral Treatment for AIDS patients is being provided in 54 ART Centers as indicated at Annexure - I. In these 54 Centers, a total of 28,665 patients are getting treatment free of cost. Action has been taken to open an additional 46 centers in order to meet the increased demand for antiretroviral treatment. These additional centers, as indicated at Annexure - II, will be operational by the middle of June, 2006, on the completion of training, supply of drugs and diagnostic equipments. In these 100 centers, an estimated 85,320 patients will be provided free treatment during 2006-07.

At each ART centre, NACO provides funds for appointment of two doctors, one counselor, one lab technician, one data entry operator and a pharmacist on contractual basis. The diagnostic equipments such as CD4 count machines, reagents and drugs are also provided to these ART centres. The doctors in the department where the ART Centre is located are provided specialized training for 12 days and faculty members are provided training for 5 days at the Centres of Excellence identified for the purpose.

Though it is targeted to provide free ART to 1,80,000 patients in 188 Centres by 2010, action to further expand ART Centres will be taken in keeping with the demand.

Annexure - I  
Status of ART Centers as on 30th April 2006 NACO Supported ART Centers
