UNSTARRED QUESTION NO:1411 ANSWERED ON:04.08.2006 FUNDS FOR NCES Krishnadas Shri N.N.

Will the Minister of NON-CONVENTIONAL ENERGY SOURCES be pleased to state:

:

- (a) the quantity of the power generated at present through non-conventional energy sources;
- (b) the details of the technologies being used in the country, State-wise for generating energy through non-conventional methods; and (
- (c) the details of the assistance given to each State by the Union Government to explore non-conventional energy sources?

Answer

MINISTER OF STATE OF THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (SHRI VILAS MUTTEMWAR)

- (a): A renewable power generation capacity of 8088 MW has been set up in the country, as on 31.03.2006 corresponding to over 6.5 per cent of the total, with a contribution of 2 per cent to the electricity mix.
- (b) : State-wise and technology-wise details of grid-interactive renewable power generation capacity installed under various programmes as on 31.03.2006 are given in Annexure-I.
- (c): State-wise details of central financial assistance given by this Ministry under its various schemes/programmes during the first four years of the 10th Plan, i.e., 2002-03 to 2005-06 are given in Annexure-II.
