COAL LINKAGE FOR CAPTIVE POWER PLANTS  
Khairi Shri Chandrakant Bhaurao

**Will the Minister of COAL be pleased to state:**

- (a) whether there is a long list of applicants with the Government seeking linkage of coal for the captive power plants ;
- (b) if so, the details thereof;
- (c) the number of cases where long term linkages had been sanctioned in the last five meetings along with the State-wise details thereof;
- (d) whether complaints have been received about not receiving coal for 1 to 2 years even after getting linkage ; and
- (e) if so, the reasons therefor ?

**Answer**

MINISTER OF THE STATE IN THE MINISTRY OF COAL (SHRI SHIBU SOREN)

(a) to (e) : A Statement is laid on the Table of the House.

Statement referred to in reply to parts (a) to (e) of Lok Sabha Starred Question No. 369 for 10.5.2006

(a) & (b): Yes, Sir. About 200 applications seeking long term coal linkage for Captive Power Plants (CPPs) have been received.

(c): A statement showing the cases approved by the Standing Linkage Committee (Long Term) for grant of long term coal linkage to Captive Power Plants, during the last five meetings, state-wise, is at Appendix.

(d) & (e): Coal linkage to any consumer is as per linkage conditions. The linkage condition provides that actual release of coal will start only after the plant is actually commissioned. Therefore, it is possible that there may be a few cases where due to non-commissioning of plant, coal release has not been made. However, no specific complaint from any consumer regarding non-receipt of coal after commissioning the plant, has been received by this Ministry.
