Answer

MINISTER OF PETROLEUM & NATURAL GAS (SHRI MURLI DEORA)

- (a): Details of State-wise consumption of Petrol, Diesel, LPG and SKO during the last three years are at Annexure 'A', 'B' and 'C'. Consumption data of petroleum products for tribal areas is not being maintained separately.
- (b) & (c): No study has been carried out for estimating State-wise demand of petroleum products. LPG is marketed in domestic and non-domestic sector. In domestic sector, LPG is marketed through LPG distributorship who are selected by inviting applications through newspaper advertisement and by a transparent selection procedure. Non-domestic LPG is marketed directly as well as through LPG distributorship network. Petrol and Diesel are marketed to the general public through Retail Outlets (ROs).
- (d): Prior to May 2002, selection of dealers/distributorships was done by Dealer Selection Boards appointed by Ministry of Petroleum and Natural Gas. After dismantling of Dealer Selection Boards in May 2002, the selection of dealers/distributorships is done by the selection committees constituted by individual OMCs. The selection committees for conducting interviews are not permanent committees but are constituted by OMCs for specific interviews.
- (e): Does not arise, in view of reply to part (d) above.
