Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) whether over 5000 Gram Panchayat villages, many urban agglomerations and officially developed areas in the country are without Post Office;
- (b) if so, the steps taken to improve the postal facilities at such places and the number of new Post Offices planned and actually opened during each of the last three years and till date, State/Union Territory and category-wise;
- (c) the time by which all the villages and extension areas of the existing cities will be effectively covered by postal services;
- (d) the State-wise details of Post Offices and Telegraph Offices running in self owned and rented buildings, area-wise and category-wise; and
- (e) the State-wise number of residential colonies for the post and telegraph employees, area-wise?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD)

(a) Based on an assessment done in September 2003, there were 3752 Gram Panchayat villages which fulfilled distance and population norms that did not have a post office. Details of urban agglomerations and officially developed areas not having a post office are not readily available.

(b) & (c) Post Offices are opened subject to fulfillment of all the three norms relating to distance, population and income. Norms are enclosed at Annex-I. Opening of post offices are planned keeping in view the cases fulfilling all the three norms viz. population, distance and also income, availability of Plan resources and through redeployment of existing manpower and relocation of offices without reducing access available as per policy. However the entire country is provided with basic postal services like daily delivery of dak, collection of dak through Letter Boxes as well as sale of stamps and stationery through postmen in rural areas. Circle-wise details of number of post offices targeted for opening and actually opened during the last three years are given below:

Year	Branch Offices		Sub Offices	
	Target	Achievement	Target	Achievement
2001-02	500	405	50	51
2002-03	250	241	25	25
2003-04	200	199	20	20
Total	950	845	95	96

No targets have been approved for the current year. Requirements are being met through relocation of existing single or double handed offices without reducing access available as per policy.

(d) There are 741 Head Offices and 3196 Sub Offices functioning in Government/Departmental buildings and 92 Head Offices and 21241 Sub Offices functioning in rented buildings throughout the country. State-wise, category-wise and area-wise details of post offices functioning in self owned and rented buildings are given in Annex-II.

There are 466 Telegraph Offices functioning in self-owned/Government buildings and 862 in rented buildings. State-wise and category-wise details are given in Annex-III.

(e) There are 815 postal colonies throughout the country. Circle-wise number of residential colonies available for the postal employees are given in Annex-IV.

There are 2241 residential colonies for Telegraph employees. State-wise and area-wise details in this regard are given in Annex-V.

ANNEXURE-I

NORMS FOR OPENING POST OFFICES:

1. Norms for opening Extra Departmental Branch Post Offices:

1.1 Population :

(a) In Normal Areas:

3000 population in a group of villages (including the PPO village)

(b) In Hilly, Tribal, Desert and Inaccessible Areas:

500 population in an individual village or 1000 population in a group of villages.

1.2 Distance :

(a) In Normal Areas:

The minimum distance from the nearest existing post office will be 3 Kms.

(b) In Hilly, Tribal, Desert and Inaccessible Areas:

The distance limit will be the same as above except that in Hilly Areas, the minimum distance limit can be relaxed by the Directorate in cases where such relaxation is warranted by special circumstances which should be clearly explained while submitting a proposal.

Anticipated Income:

(a) In Normal Areas:

The minimum anticipated revenue will be 33 1/3 % of the cost.

(b) In Hilly, Tribal, Desert and Inaccessible Areas:

The minimum anticipated income will be 15 % of the cost.

It is further to be ensured that as a result of the opening of a new post office, the loss in respect of the parent post office does not increase beyond the permissible limit nor is its income reduced below the minimum prescribed.

2. Criteria for upgrading/opening Departmental Sub Post Offices:

(a) In Rural Areas:

The minimum work load of the Extra Departmental Branch Post Office, proposed to be upgraded, should be five hours per day. The permissible limit of annual loss is Rs. 2400/- in Normal Rural areas and Rs. 4800/- in Tribal and Hilly areas.

It is further to be ensured that as a result of the opening of a new post office, the loss in respect of the parent post office does not increase beyond the permissible limit nor is its income reduced below the minimum prescribed.

(b) In Urban Areas:

In Urban areas, the post office should initially be self-supporting, and, at the time of the first annual review, it should show a 5% profit to be eligible for further retention.

The minimum distance between two post offices should be 1.5 Kms. in cities with a population of 20 lakhs and above, and 2 Kms. in other Urban Areas. No two delivery offices, however, should be closer than 5 Kms. for each other.

Heads of Circles have powers to relax the distance condition in 10% of the cases.

A Delivery Post Office in Urban Area should have a minimum of 7 Postmen`s beats.
