**Answer**

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE(SHRI TASLIMUDDIN)

- (a) The details of the funds released to the States for the development of animal husbandry during the last two years and the current year are annexed.
- (b)to (d) Proposals for fund release under various schemes are received from States every year. These proposals are examined and funds are released to the State Governments/implementing agencies on the basis of physical progress and utilization of funds released earlier. Implementation of the approved projects is reviewed both at the Central and State level so that newer projects are sanctioned & implementation is speeded up.
