Answer

MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI S.S. PALANIMANICKAM)

(a):- As per Annexure.

(b), (c) and (d):- The financial assistance from the financial institutions to any State is based on the economic viability and commercial prospect of the project proposals which are considered feasible due to economic reasons, level of development and support from the concerned State Government. The low level of financial assistance to certain States like U.P. is due to the constraints of poor infrastructure facilities, low level of socio-economic development & low level of incentives from the Government.
