**Answer**

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI S. REGUPATHY)

(a) to (f): It is primarily the responsibility of the State Government concerned to provide relief to its people affected by natural calamities. The Central Government supplements the efforts of the States by providing logistic and financial support. The relief assistance is provided under the Calamity Relief Fund (CRF) and National Calamity Contingency Fund (NCCF) schemes which are based on the recommendations of the Eleventh Finance Commission for a five year period from 1st April, 2000 to 31st March, 2005. The States have ready availability of funds under the CRF to which the Central Government contributes 75 per cent. Central assistance from NCCF is also provided in case the funds under CRF are inadequate. The Ministry of Home Affairs in consultation with the State Governments have also laid down the norms and guidelines for incurring the expenditure out of CRF/NCCF. The Central Teams are deputed wherever the assistance from NCCF is contemplated. The Central assistance is considered taking into account the reports of the Central Teams, the norms and guidelines, the funds available under CRF and the resources of the States. The fixed number of districts specially in Adivasi regions of Maharashtra and other States affected by natural calamities was not specifically mentioned by the States while seeking Central assistance. The details of State wise, calamity wise and year wise assistance released from NCCF for the last three years are given in Annexure-I.

The details of Central share of the CRF released to the States during the last three years are given in Annexure-II.

The damage details as available in the Ministry of Home Affairs, State wise, year wise for the last three years are given in Annexure-III.

Annexure -I
