Answer

THE MINISTER OF CHEMICALS AND FERTILIZERS & MINISTER OF STEEL(SHRI RAM VILAS PASWAN)

(a) to (h): A statement is laid on the table of the House.

Statement referred to in reply to Lok Sabha Starred Question No. 156 to be answered on 14.3.2005

(a) Since urea, the only controlled fertilizer and decontrolled phosphatic and potassic fertilizers, are made available to all farmers at the statutorily notified Maximum Retail Price (MRP) and indicative MRPs respectively and the cost of production is generally higher than the MRP/indicative MRPs, the benefit of subsidy/concession is passed on to the farmers in the form of low sale price in comparison to cost of production of fertilizers. Payment of subsidy to fertilizer manufacturing companies including the non-governmental companies is only a mechanism for making available fertilizers to farmers at subsidised selling prices.

(b): A statement showing the amount of subsidy paid to urea companies during the last 3 years i.e., 2001-02, 2002-03 and 2003-04 is at Annexure-I. A statement giving the company-wise concession against year-wise sales of indigenous phosphatic and potassic fertilizers for the last three years i.e., 2001-02, 2002-03 and 2003-04 is at Annexure-II.

(c): A statement giving the quantum of fertilizers produced by each factory during the said period is at Annexure-III.

(d): No, Sir.

(e) & (f): In view of (d) above, the question does not arise.

(g) & (h): There is no proposal at present to provide subsidy on fertilizers directly to farmers.
