- (f) the details of the employment generated both in organised and unorganized sector during the last three years and current year, State-wise?

Answer

MINISTER OF LABOUR AND EMPLOYMENT (SHRI K CHANDRASEKHAR RAO)

(a) to (e) A statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO LOK SABHA STARRED QUESTION NO. 336 BY PROF. MAHADEORAO SHIWANKAR, SHRI T.K. HAMZA REGARDING, EMPLOYMENT GENERATION IN ORGANISED/UNORGANISED SECTOR FOR REPLY ON 18.4.2005.

As per the latest information available the share of organised and unorganised sector was around 7% and 93% respectively during the period 1994-2000.

Since share of organised sector (public & private) is not substantial, and since most of the employment generation is taking place in the unorganized sector the Government's strategy during the 10th Plan is to create around 5 crore employment opportunities both in organised and unorganised sector taken together.

State-wise details of the educated jobseekers and educated women jobseekers on the live register of employment exchanges as on 31st December 2002 are given in the Annexure-I.

State-wise details of the employment in organised and unorganized sector for major States during 1993-94 and 1999- 2000 are given in the Annexure-II.
