

**GOVERNMENT OF INDIA  
CIVIL AVIATION  
LOK SABHA**

UNSTARRED QUESTION NO:2425  
ANSWERED ON:11.03.2010  
MRO FACILITIES FOR AIRCRAFT  
Rao Shri Nama Nageswara

**Will the Minister of CIVIL AVIATION be pleased to state:**

- (a) whether any Maintenance, Repair and Overhaul (MRO) facilities have been proposed to be set up at various airports in the country;
- (b) if so, the details thereof;
- (c) whether big and small aircraft within the country and abroad will be able to make use of the MRO facilities located in the country; and
- (d) if so, the details thereof?

**Answer**

MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF CIVIL AVIATION (SHRI PRAFUL PATEL)

(a) to (d):- NACIL have full-fledged MRO facility at Mumbai which takes care of MRO requirement of B747-400 & A310 aircraft and engines/APUs/ components & accessories fitted on these aircraft.

Further, Air India & M/s. Boeing are working on setting up an MRO facility at Nagpur to undertake major checks of B777 & B787 aircraft.

Air India is also planning to set up MRO facility at Mumbai for GE90/GENx Engine as GE NETWORK partner.

One more MRO facility is being set up by Air India at Thiruvananthapuram for MRO requirement of B737 aircraft, for which the hangar construction is nearing completion.

Air India is also proposing to construct a hangar at Delhi to cater for the major checks of B777 & B787 aircraft.

These MRO facilities can support third party operators also.
