- (b) the catchment areas in the State, dam-wise;
- (c) the number of people rehabilitated as a result of submersion, including tribal and non-tribal; and
- (d) the command area in hectares benefited by the construction of these dams?

**Answer**

MINISTER OF THE STATE IN THE MINISTRY OF WATER RESOURCES (SHRI VINCENT H. PALA)

(a) to (d) Irrigation is a state subject and planning, execution, funding, resettlement & rehabilitation works of the project affected persons etc is within the purview of respective state governments. However, Government of Gujarat has informed that there are 18 major irrigation dams in Gujarat of which 8 major dams are in Tribal dominated area. The dam wise details of the catchment area, number of people rehabilitated as a result of submersion including tribal and non-tribal and command areas of these dams as received from Government of Gujarat are given in Annex-I.
