Answer

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI SAUGATA ROY)

(a) & (b): The Government of National Capital Territory of Delhi (GNCTD) has informed that processing for regularization was to be completed by 03-10-2009. However, this time limit has been extended upto 03-10-2010 with the approval of Lt. Governor. GNCTD has further reported that 1639 applications of unauthorized colonies were forwarded to Municipal Corporation of Delhi (MCD), Delhi Development Authority (DDA), Forest Department and Archaeological Survey of India for scrutiny of applications. Verification reports are also being received in GNCTD in respect of these colonies where there is no objection. GNCTD has forwarded a list of 622 unauthorized colonies to MCD for finalization of layout plan.

(c) & (d): The revised Guidelines 2007 issued by Government and Regulations notified by DDA in 2008 for regularization of unauthorized colonies in Delhi do not relate to unauthorized colonies inhabited by affluent sections including Sainik Farms.

(e): GNCTD has reported that it has funds for providing basic amenities in the unauthorized colonies in a phased manner. A provision of Rs.2800 crore has been made in the 11th Plan to meet the anticipated expenditure for provision of services in unauthorized colonies.

(f) & (g): Neither GNCTD, Delhi Police nor DDA has reported unauthorized colonies still coming up in green or agriculture land. Local bodies including DDA are empowered under various provisions of law to take appropriate action against unauthorized development / construction.
