

**GOVERNMENT OF INDIA
DEFENCE
LOK SABHA**

UNSTARRED QUESTION NO:1333

ANSWERED ON:02.08.2010

CHINESE INTRUSION

Meghwal Shri Arjun Ram ;Singh Shri Bhola;Singh Shri Rakesh

Will the Minister of DEFENCE be pleased to state:

(a) whether there have been reports of Chinese intrusions into the Indian territory, including Ladakh region and Arunachal Pradesh in recent times;

(b) if so, the details thereof;

(c) whether the Government proposes to raise new Army divisions and also increase deployment on the border to tackle the situation; and

(d) if so, the details thereof?

Answer

MINISTER OF DEFENCE(SHRI A.K. ANTONY)

(a) & (b): There is no commonly delineated Line of Actual Control (LAC) between the two countries. The Indian security forces continue to patrol upto all areas that fall within the Indian perception of the Line of Actual Control. Incidents of transgressions in various areas including Ladakh and Arunachal Pradesh arise primarily due to differences in the perception of LAC.

(c) & (d): Military capacity enhancement and modernization of armed forces is a dynamic process. To secure the desired national security objectives along the Northern borders, appropriate deployment on the border is ensured.
