- (e) if not, the reasons therefor?

**Answer**

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT(SMT. D. PURANDESWARI)

(a) to (e) : All the existing Engineering Colleges approved by All India Council for Technical Education (AICTE) are required to have the basic infrastructure, faculty etc. as per the norms prescribed by the AICTE from time to time. AICTE have been asking the institutions to provide the information in respect of basic infrastructure and faculty etc. through a self disclosure mechanism. The information so received through self-disclosure with effect from the Academic year 2010-11, is placed in public domain on the AICTE website. If the Council receives any complaint with respect to the availability of the infrastructure in the existing institutions, it ascertains the same through surprise visits by a Committee of the experts and takes necessary action as per the findings mentioned in the report of the visiting team.
