The types of 'micro enterprises' assisted through Khadi and Village Industries Commission (KVIC) under PMEGP include Agro-based food processing units, forest based units, Polymer and chemical based units, Mineral based units, Service units, etc. The State/Union Territory (UT)-wise details of the units assisted during 2008-09 and 2009-10 are given at Annex.

The State/ Union Territory-wise details of margin money utilised under PMEGP during 2008-09 and 2009-10 are given at Annex. along with the State / Union Territory-wise number of persons, estimated to have benefited from PMEGP during 2008-09 and 2009-10.
