The data on these targets are compiled by different sources such as Central Statistical Organisation(CSO), District Institutes of Education and Training (DIETs),National Family Health Survey (NFHS), Sample Registration System (SRS), District Level Health Survey (DLHS) and also in different periodicity.

During the Working Group discussions for State Annual Plans, the progress made by the States in different areas mentioned above is discussed and the States/UTs are advised to make their best efforts towards achieving these targets.
