Answer

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI SRIKANT KUMAR JENA)

- (a) The Petroleum, Chemical and Petrochemical Investment Region (PCPIR) policy envisages creation of integrated petro, chemical & petrochemical regions with world class infrastructure. It is however, not a SEZ type petro zone since it is not based on any export or fiscal incentive.
- (b) (c) & (d) does not arise.
