THE MINISTER OF HEALTH & FAMILY WELFARE (SHRI GHULAM NABI AZAD)

(a) to (c) During the 6th Session of India-Oman Joint Commission meeting held on 4-5 September 2010 in Muscat, Oman, the Omani side expressed its keenness for setting up super-speciality hospitals in India and diagnostic facilities in the form of Joint Ventures. The Indian side mentioned that it is willing to support and work with Oman in this area. India requested that a delegation from Oman side may visit India for exploring the opportunities in this regard.

The location for setting up super-speciality hospitals is not yet decided.
