**RE: DEATHS DUE TO STAMPEDE AT HARIDWAR AND UJJAIN**

[Translation]

SHRI HARPAL SINGH SATHI (Haridwar) : Mr. Speaker, Sir, Yesterday a tragic accident took place in Haridwar, a holy city, in which 26 people including children and women, lost their lives and many other people sustained injuries. The administration despite expecting a large crowd at that place did not take any precaution. There was only one bridge for the movement of the people and neither the administration nor the police thought of putting a rope between the bridge to make it a two way path. The police had accommodated small vendors of their choice there and they collected money from them. In spite of large crowd there, these vendors were also not removed.

I, through you, would like to draw the attention of this House as well as of the Government towards this accident. Many such accidents have taken place in the past. One bridge has been lying damaged there for a long time but the Government has not paid attention towards it so far... (Interruptions) Many irregularities have been committed there. Will the loss be compensated by giving rupees one lakh each to a few people? I would like to request the Government to get the damaged bridge reconstructed there and make a provision of one way on this bridge. The policy officers who are responsible for the accident, should be punished... (Interruptions)

SHRI THAWAR CHAND GEHLOT (Shajapur) : Mr. Speaker, Sir, yesterday, at 5 a.m. some were going to Ujjain for Darshan on the occasion of 'Somwati Amawasya'. When the local Commissioner was performing pooja at the VIP gate, the crowd became uncontrollable and there was a stampede. Due to this, about 45 people were killed and several others injured. The injured are neither getting any proper treatment nor any assistance. The administration officials are not paying attention. Yesterday, attention of the Government was drawn towards this accident and the Government had assured that it would come out with a statement today in this regard. I request you to ask the Government to make a statement in this regard and provide relief worth rupees two lakhs to the family members of the deceased. The injured should also be provided relief and arrangement should be made for making treatment facility available to them.

SHRI BRIJ BHUSHAN TIWARI (Dumariaganj) : Mr. Speaker, Sir, the accidents which took place yesterday at Haridwar and Ujjain were really tragic. Not only the families of the deceased but the whole country and this House is grief stricken over these accidents. According to my information carelessness had been shown by the administration there.

Sir, I would also like to state that on such occasions when millions of pilgrims gather at one place, the administration should make proper arrangements of sanitation, lodging and 'Darshan' so as to avert any untoward incidents... (Interruptions)

SHRI RAMESHWAR PATIDAR (Khargone) : Mr. Speaker, Sir, Ujjain is a famous pilgrimage. After every twelve years, a fair is organised there. After every four years, on 'Somwati Amawasya' which falls on a special Monday, this fair is organised. It was 'Somwati Amawasya' on that day and millions of people were expected to gather there. The administration was expected to keep this in mind but the higher officials knowingly organised a drink party one day before the Mela and they were all intoxicated. They did not pay attention towards the arrangements for the fair and it resulted into death of 40 persons including children. The Verrandah is very wide there. So, there was no question of suffocation. It was only due to mismanagement on the part of the
