- (c) if so, the details thereof;
- (d) the number of surveys conducted in this regard during the last three years and result of the said surveys; location-wise; and
- (e) the action taken by the Railways on the said surveys?

**Answer**

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI K.H. MUNIYAPPA)

- (a) District-wise details of manned and unmanned level crossing are not maintained. However, there are 104 manned and 02 unmanned level crossings on National Highways in Uttar Pradesh.
- (b) Yes, Madam.
- (c) At 48 such level crossings, Road Over Bridges have been sanctioned.
- (d) and (e) At all level crossings traffic census is carried out once every three years for seven days. If the Train Vehicle Units (TVU) on a level crossings gate exceeds one lakh, the concerned State Governments are approached to sponsor the proposal for construction of Road Over Bridge (ROB)/Road Under Bridge (RUB) on cost sharing basis with undertakings for closure of level crossing, arrangement of land free of encumbrances, etc. After receipt of requisite details, the work is processed for inclusion in Railway's Works Programme. At present, no such proposal is pending with the Railways.
