The Ministry of Drinking Water and Sanitation is implementing the National Rural Drinking Water Programme (NRDWP) and Total Sanitation Campaign (TSC).

State-wise Central allocation, released, utilized and physical achievements made during the last three years (2008-2009, 2009-2010 and 2010-2011) and current year (2011-12 up to July, 2011) under rural development schemes is given at Annexure - I.

(e) to (g): All notices/complaints received from the individuals, Non Governmental Organisations (NGOs), irrespective of their nature, are forwarded to the concerned State Government for remedial action. A total of 2250 complaints regarding all type of irregularities have been received under MGNREGA up to 26th July, 2011. Out of these 1003 complaints disposed and 1247 complaints are pending. Under Watershed Management Programmes 8 complaints have been received and the concerned State Governments have been advised for appropriate action.
