Answer

MINISTER OF STATE IN THE MINISTRY OF PETROLEUM & NATURAL GAS (SHRI R.P.N SINGH)

(a) to (c): The Production Sharing Contract (PSC) signed between the Government and the Joint Venture (JV) provides that the entire gas would be sold to the Government nominee.

However, during 2004-05, Government allowed PMT JV to directly sell 4.6 mmcmd gas, while the remaining about 6 mmcmd gas continued to be supplied to power & fertilizer consumers through GAIL. Further, it was decided that the position would be reviewed at the end of the year. In the meantime, PMT JV solicited Expression of Interests (EoI) from prospective buyers to purchase gas up to 4 mmcmd from 1st April, 2006 for a period of two years with a caveat that the JV reserved the right to decide the quantity to be sold. As informed by PMT JV, GSPC and another buyer offered the highest price for this gas. The issue of continuing gas supplies to the power and fertilizer sector consumers by GAIL beyond 31.3.2006 was reviewed in the Ministry in March 2006 and it was decided that this arrangement needed to be continued for a further period of 2 years, i.e., up to 31.3.2008, as then there were no alternative sources of gas supplies and any disruption in gas supplies would have resulted in idling of the existing assets in these important sectors.

Subsequently, it was decided in 2007 that, in accordance with the provisions of the PSC, all gas produced by PMT JV would be sold to Government nominee, i.e., GAIL, from 2008-09. Accordingly, the entire production of PMT JV is being supplied to GAIL from 1.4.2008.

(d): This Ministry had received through Prime Minister's Office a copy of the letter dated 8.3.06 addressed to the Prime Minister by Members of Parliament. As mentioned above, it has been decided in 2007 that, from 2008-09, all gas produced by PMT JV should be supplied to GAIL for marketing according to Government's directions.

(e): Yes, Madam

(f): The entire gas produced from PMT is already committed and is being sold by the Government nominee, viz., GAIL (India) Limited. As regards gas produced from KG D-6 field, it has been decided that, subject to the availability of gas, necessary allocations from KG D-6 fields will be made to such projects as and when they are ready.
