- (b) the total expenditure incurred on constructing houses through Panchayati Raj Institutions (PRIs) so far under Bharat Nirman; and
- (c) the total expenditure incurred on the provision of safe drinking water through PRIs?

Answer

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI PRADEEP JAIN 'ADITYA')

(a) to (c) Three components of Bharat Nirman Schemes, namely, Pradhan Mantri Gram Sadak Yojana (PMGSY), Indira Awaas Yojana (JAY) and National Rural Drinking Water Programme (NRDWP) are being implemented by the Ministry of Rural Development and Ministry of Drinking Water and Sanitation. Under these schemes, funds are released directly to the State Governments/District Rural Development Agencies (DRDAs). Though the funds under these programmes are spent/utilized through different programme implementing agencies, the Panchayati Raj Institutions (PRIs) are actively involved in preparation of projects/plans of above three programmes as specified in the guidelines of the respective programmes. The year-wise and state-wise details of expenditure incurred during the last three years under these programmes are annexed.
