Answer

MINISTER OF COAL (SHRI SRIPRAKASH JAISWAL)

(a) to (f): A statement is laid on the table of the House.

Statement referred to in reply to part (a) to (f) of the Lok Sabha Starred Question No. 188 for answer on 07.12.2011

(a) & (b): Requests are received from time to time from various States including Gujarat for allocation of coal blocks under Government Dispensation route. Allocation of coal blocks is an on-going process and as and when the coal blocks are identified and earmarked for allocation, the same are considered for allocation. No proposals have been invited from the State Governments for allocation under Government Dispensation route.

(c) to (f): The Government of Gujarat has requested for allocation of lignite blocks as well as approval of Mining Leases in respect of following blocks/areas:-

Sr.No. Name of Lignite Block

- 1 Valia
- 2 Lakhsat-Dhedhadi
- 3 Damlai Padvaniya
- 4 Julrai- Waghbadar
- 5 Kaiyari
- 6 Ghala
- 7 Hamla & Ratadia
- 8 Some areas in Kutch & Bharuch Districts in Gujarat
- 9 South of Rajpardi block

Coal and lignite blocks are allocated under Section 3 of the Coal Mines (Nationalisation) Act, 1973 whereas the prior approval of the Central Government for grant of mining lease of the allocated coal/lignite blocks are given under the relevant provisions of the Mines and Minerals (Development and Regulation) Act, 1957. Allocation of a lignite block under Coal Mines (Nationalisation) Act, 1973 is a prerequisite before the prior approval of the Central Government is accorded for grant of mining lease under the relevant provisions of the Mines and Minerals (Development and Regulation) Act, 1957. The above mentioned blocks have not been allocated by the Ministry of Coal to the Gujarat Mineral Development Corporation Ltd. (GMDCL). Hence prior approval of mining lease for these areas does not arise.
