**Answer**

MINISTER OF THE STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI GHULAM NABIAZAD)

(a): The Central Government, in consultation with the Medical Council of India (MCI), keeps reviewing the regulations framed under IMC Act, 1956 and notifying need based amendments in furtherance of the Government's efforts to bring reforms in the field of medical education.

Apart from this, the Central Government has constituted a Board of Governors superseding the MCI through the Indian Medical Council (Amendment) Act, 2010 on 15th May 2010 inter alia empowering the Board to grant permission for establishment medical colleges, opening higher course of study etc. without the prior approval of the Central Government.

(b): Yes.

(c): The Ministry is considering setting up an overarching regulatory body viz. National Commission for Human Resources for Health (NCHRH) with a dual purpose of reforming the current regulatory framework and enhancing the supply of skilled manpower in the health sector. After holding consultations with the stakeholders, a draft Cabinet Note and Bill are being finalized for further necessary action.

(d): The proposed NCHRH would also constitute a National Board for Health Education (NBHE) and a National Evaluation and Assessment Committee (NEAC) with a mandate to prescribe minimum standards for health education and developing and maintaining system of accreditation of health educational institutes respectively.
