## MINISTER OF LABOUR AND EMPLOYMENT (SHRI MALLIKARJUN KHARGE)

- (a): There is no such proposal with the Government.
- (b): In view of above, does not arise.
- (c) to (e): Government is implementing the National Child Labour Project (NCLP) Scheme in 266 districts of 20 States. Under the Scheme, children withdrawn from work are enrolled in the Special Schools where they are provided with bridging education, vocational training, nutrition, stipend, health care facilities etc. before mainstreaming into formal education system. Further, Right of children to Free and Compulsory Education Act, 2009 provides compulsory and free education to children between 6-14 years as their fundamental right. As per available information 325304 children have been mainstreamed to formal education system during last three years under NCLP Scheme.
- (f): The Child Labour (Prohibition & Regulation) Act, 1986, prohibits the employment of children below the age of 14 years in 18 Occupation and 65 Processes. Government monitors the implementation of Child Labour (Prohibition & Regulation) Act, 1986 through periodical reports submitted by the State Governments/UTs which are the appropriate government for implementation of the Act in their respective areas.
