**Answer**

MINISTER OF CIVIL AVIATION (SHRI AJIT SINGH)

(a) & (b): Yes, Madam. Airports run by Private operators situated mainly in metro cities namely, Delhi, Mumbai, Bangalore and Hyderabad are newly developed ones and are having modern facilities and passenger amenities and resultantly they offer better Airport Service Quality(ASQ) as compared to AAI airports. List of Rating of ASQ of Private/JV and Airports Authority of India (AAI) airports is at Annexure-I. Profit making and loss making airports belonging to AAI are given in Annexure II & III respectively,

(c): The effort is to cut down on non essential expenditure, and increase the non traffic revenues. In order to increase the non traffic revenue, AAI has sought the help of a consultant.
